Alice was home-schooled before coming to St. Michael's. She is thrilled to have found a Catholic school that will help her to learn and love her Faith in company with friends.

## Who are we?

St. Michael's is a small independent Traditional Catholic School run by the Priestly Society of St. Pius X. We endeavor to educate our children in sound academics and healthy living, but most importantly in the **knowledge, love and service of God.**

Since 1992, more than 500 students have been educated at St. Michael's, from infants to sixth form.

The work has not been in vain: children sit today where their parents studied not so long ago.

The school has also given several religious vocations to the Church. God has blessed our work.

## The Problem

Many families require substantial bursaries in order to send their children to us. Years of eager and energetic pupils have also left our infrastructure in need of urgent repair.

**Substantial financial investment is necessary in order to secure our future.**

Isabella attends St Michael's School. She loves Music and the colour green. Her four older siblings all attend the School. Isabella does not want to go to another school where there are no priests and sisters. We want to reassure her.

## The Plan

We are launching a **Capital Campaign** in order to gather much needed funds. Givers can chose to donate towards infrastructure improvement, or towards a child's tuition.

The children are praying that you will become part of God's Providence in helping to provide adequate teaching and boardiing facilities.

Heaven's help will come through your hands. We are placing this appeal under the **patronage of St. Philomena**, patroness of youth.

## Operation Philomena

Large donations can accomplish great things, but small donations go far in helping St. Michael's pay its bills. We are looking for 1000 kind souls willing to give just £10 monthly to make our children's Catholic future possible.
